A DAY AT THE CAPITOL 2007

AS SCHOOL BOARD MEMBERS AND EDUCATORS, YOU ARE THE LEADING VOICES FOR OUR PUBLIC SCHOOLS and A Day at the Capitol is an event designed with you in mind. It is your opportunity to learn about education legislation and interact with legislators who make the laws that affect your school district and our state. Spend the day meeting with legislators at the State House. Network over lunch at the Columbia Metropolitan Convention Center and discuss legislative issues facing the General Assembly that could impact your students.

Mark your calendars, register, and plan to be in Columbia on Wednesday, March 21st to advocate the legislative priorities of your association and share your views on educational legislative issues. Consider inviting public school advocates from your community like parents and business leaders to come along.

Take this opportunity to be an advocate for public schools and the children and families they serve.
